WORLD-CLASS ART PIECES CATALOGUE

2025

"Passione la perfezione"

Welcome to the Dilano Design World-Class Art Pieces Catalogue 2025 , a curated journey through light, form, and mastery. Each bespoke piece showcased here is not just a product of creative intention, it is the result of generational craftsmanship, daring vision, and an unwavering pursuit of perfection.

From hand-carved glass dragons to reclaimed industrial materials reborn as sculpture, our work echo's with legacy, provokes introspection, realization of theme and concept of designs gradually advancing to the handcraft of each masterpiece. Whether suspended in a boardroom, showcased in the reception, accenting a luxury estate, or anchoring a gallery, these are not mere installations. They are definitive art pieces.

With over 40 years of heritage, Dilano Design stands as a global name in glass and stainless steel art. We don't follow trends. We forge legacies.

EIFEL TOWER

A towering tribute to one of the world's most iconic structures—this 1.8m poly-acrylic sculpture pays to both homage and reinvention. Precision-cut and internally lit, it transforms light into language. A beacon of romance, structure, and ambition, rendered in luminous form. This is Paris through the lens of modern luxury.
